TRIP FROM AND TO THE AIRPORT

TAXI

The most comfortable option, although not the most economical. Recommended if you are traveling with a lot of luggage. Price should be between €40 and €60, depending on the traffic.

BUSES

Since March 2013, there has been a new bus service directly from Madrid airport to Alcalá de Henares.

Taking the bus is the cheapest option to get to Alcalá, and if there is not too much traffic, it is also the fastest.

If you depart from terminals T1, T2, or T3, take bus number 824 directly to Alcalá de Henares (you can walk from terminal T3 to the bus stop).

If you are at terminal T4, you will need to take the airport bus that connects the different terminals to get to the bus stop. Once you are at T1 or T2, take bus number 824 to Alcalá de Henares.

Keep in mind that on buses heading to Alcalá de Henares, you will have to place your luggage in the luggage compartment yourself, and then board the bus and pay your fare directly to the driver. If you are traveling alone and buying a single ticket, remember that you will need to pay with coins or with a maximum €5 note, as the drivers do not carry change and do not accept large bills.

INDUCTIONS

Please ask your Bailli Délégué to process your induction or promotion in the OMGD 2024 through the head office in Paris.
